Dear Fred,

I am please to offer you this letter of recommendation based on our experience with your company on the Athertyn at Haverford Reserve project. We have been building homes on the Main Line for over 30 years, and we are always pleased to work with a firm that demonstrates such dedication to their trade. We would like to thank you specifically for your responsiveness and flexibility throughout this project – Our decision to make changes to the materials midway through your installation was handled seamlessly by your team. Your crew was courteous and professional, and the exquisite final product reflects the quality of workmanship. We look forward to working with you again, and wish you all the best in your future.

Sincerely,  
Pohlrig Builders
