Re: Providence Town Center

Dear Fred:

I am pleased to offer this letter of recommendation for the Masonry work that your firm performed at the Providence Town Center. We have had many clients, tenants and residences indicate how beautiful the masonry looked thru out the center. Due to your firm's responsiveness, manpower and flexibility – we were able to complete the project ahead of the scheduled completion date. We look forward to working with you on many more projects in the future.

Sincerely,
Brandolini Companies
